

QMAC Construction Ltd.

Company Health and Safety Policy Statement

It is the policy of QMAC Construction Ltd that operations carried out by the company are in accordance with the requirements of the Health and Safety at Work (NI) Order 1978. The company accepts its responsibilities towards its employees and any other person who may be affected by the work undertaken by the company. The company will ensure that the work carried out under its control is carried out in such a way to minimise the risk to the health and safety of its employees and to any other person who could be affected.

The Managing Directors, Peter Quinn and Rhona Quinn are responsible for implementing this policy. Their duties and that of Senior Management and Employees are detailed in this policy.

If incidents are to be avoided, good working practices will be required. Therefore all Managers shall familiarise themselves with the duties as detailed in this policy, and all Employees have a part to play if high standards are to be achieved and maintained, they must work together positively on a continuing day to day basis compatible with the operation of the company and to ensure that it is fully understood.

The company will provide safe plant, equipment, tools and personal protective equipment, that conform to EC, BS and other relevant standards and that safe systems of work are to be followed. The company have COSHH procedures and a COSHH manual in place to ensure safe practices when handling hazardous substances. The company will provide a safe place of work and a safe working environment for all Employees and other persons.

The company have a strong commitment to training and will review staff training needs on an annual basis and the Managing Director will ensure a suitable budget is allowed for Employee training and retraining.

This statement will be displayed in a prominent position at all work locations and sites. A copy of this document and the company's health and safety manual will be reviewed by the Managing Director on an annual basis and updated as either legislation changes or working practices change.
